

WEBINAR INVITATION

# Regal Investment Fund (ASX:RF1) Investor Update and Q&A

## RF1 Investor Update– Notification of Date Change

Thank you to all RF1 investors and interested parties that have registered for the upcoming RF1 webinar. Regal CIO, Phil King and the investment team look forward to sharing their thoughts on the recent market movements, RF1's current portfolio positioning and where they are seeing opportunities over the months ahead.

Please be advised that the date and time of this webinar has been rescheduled to 11.00am AEST on Wednesday 16 April 2025 (from its original schedule of Thursday 10 April).

Understandably, with global asset markets currently experiencing heightened instances of price dislocations and broader volatility, the investment team's priority this week is focusing on portfolio management responsibilities and identifying suitable opportunities for the RF1 portfolio through this period.

We thank investors for their patience in this regard and look forward to sharing the team's observations, outlook and portfolio updates at the upcoming webinar on Wednesday 16 April.

For investors who have registered and pre-submitted questions, there is nothing further for you to do; your registration will update automatically with the webinar's new details. For investors wishing to register that have not already done so, please find details below. Many thanks for your continued support of RF1.
