

## INVITATION

### Regal Investment Fund (ASX:RF1) – Investor Update and Q&A

Dear investors and friends,

Thank you for your support of the Regal Investment Fund (ASX:RF1).

It gives us great pleasure to invite RF1 investors, our adviser partners and interested parties to join Phil King, Chief Investment Officer of Regal Funds Management, for an RF1 Investor Update and Q&A on Thursday 15th September 2022 at 11:30am AEST.

Joined by senior investment team members across the Regal Partners group, Phil will share his insights into where the team are currently seeing opportunities in global equity markets, expectations for the remainder of 2022, and current portfolio positioning within RF1 to take advantage of this.

In addition, we're delighted to also introduce investors to the recently added water strategy, managed by the highly experienced Kilter Rural team (a subsidiary of Regal Funds Management). The water strategy invests in Australian water entitlements and water allocation assets, seeking to generate an attractive mix of capital growth and income with a return profile that has historically been uncorrelated to traditional asset classes. Kilter Rural Chief Executive Officer Cullen Gunn will join the call to provide some additional information on the opportunities available in Australian water markets and current positioning of the strategy.
