RF1 Investor Update with Philip King (Chief Investment Officer)

It gives us great pleasure to invite RF1 investors, our adviser partners and interested parties to join **Regal Chief Investment Officer Philip King for an investment update and Q&A on Thursday, 25th March 2021 at 11:00am AEDT.**

Joined by Regal CEO Brendan O'Connor, Phil will be sharing his perspectives on the opportunities and challenges currently facing global markets, his equity market outlook for the remainder of 2021 and how the various strategies within The Regal Investment Fund (ASX:RF1) are currently positioned to take advantage of this.

Phil will also be joined by Regal's Head of Mining Investments, Tim Elliott, to share his thoughts on where he and the Regal investment team are uncovering opportunities in the mining and resources sectors.

The presentation will be followed by Q&A and we would certainly encourage attendees to submit their questions in advance to allow the team to respond to as many queries as time permits. This can be done by registering to attend the webinar below and submitting your question when prompted.

Many thanks for your continued support of Regal and we look forward to speaking with you soon.
